**Ms. Kathleen Somers
Group Leader for Canada TNA**

Re: 6TH INTERNATIONAL TRIGEMINAL NEURALGIA AWARENESS DAY

Dear Ms. Somers,

In response to your letter concerning the initiative Light up Teal, on behalf of the Mayor of Krakow Mr. Jacek Majchrowski I would like to assure you that he recognizes the significance of this project aiming at raising awareness for Trigeminal Neuralgia.

Technical restrictions make illuminations in teal impossible but, like the last year, to mark the 6th International Trigeminal Neuralgia Awareness Day, articles about TN will be published both on the "Magiczny Krakow" (Magical City - www.krakow.pl and Krakow International Relations "Kraków Otwarty Na Świat" (Krakow the Open City - http://www.krakow.pl/otwarty_na_swiat) official City web sites at the beginning of October 2017.

My office will contact you sending the detailed information and links.

Sincerely yours,

Beata Sabatowicz
Deputy Director of Mayor's Office
Municipality of Krakow
